grounding meditation

Step 1 - Relax and close your eyes.

Step 2 - Connect your tongue to the roof of your mouth.

Step 3 - Take three deep and relaxed breaths.

Step 4 - Breathe in. As you breathe in, imagine a white light from universal energy entering your Crown chakra, to your Heart chakra.

Step 5 - Hold your breath counting three.

Step 6 - Breathe out. Release the white light from your Heart chakra through your foot chakra

Step 7 - Hold your breath and count three.

Step 8 - Now reverse the whole procedure. Breathe in green earth energy through your foot chakra. Hold your breath counting three.

Step 9 - Breathe out. Release the green energy from your Heart chakra to the universal source through your Crown chakra.

Step 10 - Repeat three times.
